Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

Clause (d) of sub-section (1) of section 4 of Kerala Marine Fishing Regulation Act, 1980 (Act 10 of 1981) read with rule 4 of the Kerala Marine Fishing Regulation Rules, 2018, empowers the Government to regulate, restrict or prohibit the use of such fishing gear in any

specified area as may be prescribed and sub-section (2) of section 4 of the said Act stipulate the ground for invoking the powers under sub-section (1) of section 4 of the said Act. There have been persistent demands from various sections of fishing community for imposing ban on bottom trawling on the ground that the bottom trawling during the monsoon period would adversely affect the conservation of fish wealth and their share of earnings from fishing. Consequently there have been clashes between the fishermen belonging to the traditional sector and mechanized sector leading to serious law and order problems in the sea and in the coastal area. There have been frequent occurrences of squally weather conditions in the sea during monsoon leading to accidents resulting in loss of human life and property. The Government after considering all the aspects relating to the matter, particularly the adverse effect of bottom trawling have decided to ban bottom trawling, in the territorial waters of the State of Kerala for a period of 52 days in the monsoon season starting from the 10th day of June, 2025 to 31st July, 2025 (both days inclusive).

The notification is intended to achieve the above object.
